Dear John Harris Campus Parents and Guardians,

Tomorrow, Thursday, September 9th, John Harris Campus students and staff will return to school for in-person instruction. The instructional day will begin promptly at 7:45 am and end at 2:45 pm. All students are expected to arrive on time and to be prepared for student-centered learning.

The Harrisburg School District will have a strict police presence before and after school at John Harris Campus to support a safe learning environment for all students and staff. During the school day, there will be an increased presence of District safety monitors and additional safety measures will be implemented.

Parent/guardians, it is imperative that you and your child understand that Harrisburg High School and the Harrisburg School District have zero tolerance for not attending class in a timely manner when on campus, fighting, posturing to fight and/or gang related activity, threatening language, verbal attacks, and/or profanity directed towards fellow students and/or staff. Students engaging in these negative behaviors and/or policy violations will be immediately removed from the building. No exceptions.

As a District, we will not allow a few students to negatively impact the educational climate for the majority of our wonderful and dedicated students who come to the John Harris Campus each day ready to learn and engage themselves in a positive and productive manner.

As parents and guardians, you are advised to familiarize yourself with the policies of the Harrisburg School District as mandated by the Pennsylvania Public School Code and the Commonwealth of Pennsylvania. Click the policy links below.

- [Weapons Violation](#) – Policy 218.1
