September 18, 2021

Dear Harrisburg High School, John Harris Campus Parents and Guardians,

It was a wonderful week on our campus, and I wish to provide you with a few updates as we end our first full five-day week since our return.

Our week ended on a high note with our football team, cheerleaders, band, and band front traveling to Governor Mifflin High School. Last night marked our Might Cougars Marching Band's first performance in nearly twenty-two months! All students involved in last night's competition represented our school well and with Cougar pride.

As previously shared, we have implemented several measures to enhance school safety. We have increased staff supervision and support, reinforced the need to remove all hats and hoods before entering the building, and provided students with spaces and support to process recent events.

Students have received updated schedules which must always be kept with them, and students must also show their student ID to enter the building. Students are expected to be in all classes, each day and on time, and parents and guardians are receiving attendance notification phone calls.

A second distribution of clear backpacks took place on Friday, September 17 with one final distribution taking place Monday, September 20. Any student that did not receive a clear backpack should inform their Advisory teacher. Backpacks that are not clear will not be permitted in the building.

Thank you for reinforcing these expectations with *your child* and for your continued support and cooperation as we work together to make great things happen for all John Harris Campus students. We believe...together we can!

In Partnership,

Ms. Michelle Felton, Principal

Harrisburg High School, John Harris Campus

"One Harrisburg for ALL Students!"

Our Vision: Empower all students with a high-quality education through a respectful, collaborative, supportive, professional learning community in which all achievements are celebrated!
