Act 26 of Pennsylvania's Safe Schools Act, states that if a student is found with <u>any</u> weapon in his/her possession in school; at a school event; on the way to or from school, including bus transportation, the student is subject to criminal arrest and expulsion from school.

ACT 26 defines the term "weapon" to include, but not limited to, any knife, cutting instrument, cutting tool, nanchaku, firearm, shotgun, rifle, BB or pellet gun, projectiles (bullets) and other tools, instruments or implement, capable of inflicting serious bodily injury." This provision applies to any student in possession of a weapon whether or not the student used the weapon or intended to use the weapon.

The Safe Schools Act of Pennsylvania also expressly prohibits violations pertaining to drugs and alcohol, harassment, racial and ethnic intimidation and bullying. Violations of this kind will also result in disciplinary action, which can include expulsion and criminal arrest.

If a student feels he/she is the victim of any of these violations, we urge you to contact the school principal immediately. Be assured that any reports of this nature will be investigated thoroughly.

ATTENDANCE

Regular attendance in school is essential for a quality education. Students are expected to be in school daily and arrive on time. Some important information for parents regarding attendance is listed below.

Absences fall into two categories – Excused and Unlawful/Unexcused:

- Excused Absences/Tardies/Early Dismissals include illness, death of a family member, medical or dental appointments, court attendance, religious holidays or instruction, authorized school activities.
- Unlawful Absences/Tardies/Early Dismissals include missing school due to oversleeping, missing a bus, parental neglect, or any other reason not listed in the excused absences. Unexcused tardy or unexcused early dismissal minutes will be calculated and add up to an unlawful absence.
- All absences will be treated as unlawful until the school receives a **written** excuse explaining the reason(s) for the absence. If documentation is not provided within 3 days, the absence will be permanently marked as unexcused.
- Absences due to illness that are 3 or more consecutive days require an absence note from a **doctor**.
- Students with excessive absences (10 days) will be required to return to school with a doctor's note for each additional absence. A meeting will be scheduled to discuss the reason for the child's truancy and develop a Truancy Elimination Plan (TEP). If the plan is not followed through to improve attendance, a citation that could result in a \$300 fine will be filed, and a referral made to Dauphin County Children and Youth.

School Hours

The following is a description of school hours including times for breakfast. Please note that the school hours for all grade levels are changed for the current school year.

Grade Levels	School Hours	Breakfast
K, 1, 2, 3, 4	8:40am –	8:20am
	3:30pm	

Tardy to School or Class

All students must arrive at the school at the designated start time. Students are considered tardy after 8:40 AM. *Please Note: Excessive tardiness to school will result in a truancy referral.*

Procedures for Tardy Students

Tardy/Late students must go to the office for a late pass. An adult must accompany students arriving over thirty minutes late to the main office.

BREAKFAST

Breakfast will be served in the cafeteria from 8:20AM to 8:45AM. Breakfast cannot be extended beyond the times scheduled; therefore, it is crucial for students to arrive on time to get breakfast.

DISMISSAL

Dismissal is 3:30PM on regular school days and 12:30PM on early dismissal days (please refer to district calendar for early dismissal dates). Students must be picked up on time. The school may need to contact the appropriate authorities to assist with students left after school hours.

Afternoon Car Dismissal

- No cars will enter the school's main parking lot from 2:30PM until dismissal is complete.
- Drivers who park on Berryhill Street, 20th and 21st Streets or surrounding streets are asked to observe permitted parking lanes and forbidden parking lanes. Violators may be cited by Harrisburg Police.

Early Dismissals

Parents/guardians are urged to make dental, medical, and other appointments after school hours. In the event that the appointment must be made during the school day, parent/guardian must report to the main office to sign their child out for early release. The parent/guardian must present picture identification when requesting an early release for a student. Students will be called from class at that time to report to the main office. Students will not be permitted to wait in the office or in the lobby for the parent/guardian to arrive.

Early dismissals will not be allowed between 2:55 PM and 3:30 PM.

Early Dismissals will only be permitted for the following reasons:

- 1. An appointment with a doctor, medical or dental (appointment card is needed)
- 2. A sudden family emergency
- 3. Other circumstances must be approved by the principal in advance of the early dismissal

Students will not be permitted to sign themselves out or leave the school campus. Only authorized <u>adults</u> who present picture identification may sign out students.

Student Drop-Off

Students should not be dropped off before breakfast begins. Staff members are engaged in planning and will not be responsible for students who are dropped off early (prior to 8:20AM).

Transportation

Students can be removed from the bus if they are not adhering to bus and/or safety rules. Students must ride their assigned bus to and from school. Students who ride an unassigned bus may lose their privileges including trips and extra-curricular activities.

Bus Video and Audio Taping

The school district and the bus companies have installed video cameras with audio in the buses and vans. These are used to monitor students' behavior to provide a safer environment for transporting students to and from school. Having this policy in the student handbook is an acknowledgement that you have read and understood it.

EMERGENCY SCHOOL CLOSING/ DELAYED OPENING

Inclement weather conditions may cause a delayed opening or cancellation of school. In cases of severe weather or during other school emergencies, announcements, delays, or closings will be made through the media and the district messaging service. *Please Note: During a two-hour delay, breakfast will NOT be served.*

MAKEUP WORK

It is the students' responsibility to ask for missed assignments after an absence. If work is not made up, it will be converted to a zero for that day. Students have five (5) days after an absence to make up missed work. Parents/guardians should notify the school office to obtain assignments if their child will be absent for several days. Please allow teachers 24 hours to prepare the work.

PERSONAL AND SCHOOL PROPERTY

The Harrisburg School District assumes no responsibility for the loss of or damage to students' personal property. Books, gym bags, and similar items should be kept in your students' assigned locker and/or storage area in the classroom. Only Parents/guardians will be permitted to pick-up unauthorized equipment. Respect for school property and others is expected at all times.

TELEPHONE USE

The school phones are for business purposes and are available to students only in emergency situations. Any incoming calls requesting to speak directly to a student will be denied.

ELECTRONIC DEVICES

While we are aware that some parents have given cell phones to their students to facilitate communication in case of emergencies, Harrisburg School Board Policy 237 prohibits the use of personal electronic devices during the school day. Cell phones must be turned off and put away (not visible). Visible electronic devices will be confiscated.

FIRE EMERGENCY & EVACUATION DRILLS and PROCEDURES

Fire, severe weather, security, and evacuation drills will be conducted throughout the school year. In the event of a school or district-wide emergency the School Messenger telephonic and web based alert system will make contact with all parents/guardians to inform them of the situation and appropriate response procedures. For this reason, <u>all contact information should be</u> current.

APPOINTMENTS WITH TEACHERS

Appointments for conferences will be scheduled one day in advance and should take place during non-instructional teaching time. Phone calls to teachers will be directed to their voice mail during the school day.

PARENT TEACHER ASSOCIATION (PTA)

The PTA can be an invaluable resource in promoting our school and classrooms. Please support the PTA and its sponsored activities to the best of your abilities by attending PTA meetings, PTA sponsored events, or communication with PTA officers and members will promote positive working relationships. All students and families are encouraged to join the PTA

CLASSROOM VISITS

Parents/guardians are welcome and urged to visit their child's school. We ask that parents/guardians contact their child's teacher to schedule a visit. The teacher will arrange his/her schedule to speak with the parents/guardians and will advise them of the best time to observe.

- When parents/guardians enter the school, they are required to sign in at the office immediately, and obtain a visitor's pass that will enable them to report to the designated area.
- Visitors must sign out and return the pass to the main office before leaving.
- In the interest of protecting our students and staff, any visitor who does not follow the proper sign-in procedures will be treated as a trespasser.

Classroom Volunteer Opportunities:

It is the goal of Melrose School to have parents involved in many aspects of the school. From the classroom to community we have a need for positive parent support and involvement in all areas. Parents are to be contacted by the teachers within the first month of school to welcome them to their classroom and outline possible parent involvement opportunities. Parents are also encouraged to contact their child's teacher to convey any ways they may wish to be of service. All volunteers wishing to work within the school or classroom on a regular basis must participate in the school district clearances process.

PRESCRIPTIONS AND MEDICATIONS

Any and all student medications are to be registered or delivered to the school nurse by an adult. Students are not to keep medications on their person or take medication of any type, other than through the nurse.

BIRTHDAYS

While we appreciate parents' want to celebrate a child's birthday in school, we request that no food (including cupcakes), snacks, or balloons are brought to the school. The school is making this request for three primary reasons: snacks are often non-nutritious foods, there are increasing numbers of students with food allergies, and instruction should not be interrupted. A good way to celebrate your child's birthday is to make arrangements to volunteer in the classroom and assist with the instructional program. Or a gift of classroom supplies such as crayons, pencils, etc. can also be given to acknowledge your child's birthday.

EMERGENCY CARD INFORMATION

It is important that the school have up to date information such as addresses and phone numbers for each child. The school must be able to reach someone in cases of an emergency. Parents must report any changes in contact information to the office immediately. Reporting changes also allows the district to keep your contact information current in the School Messenger telephonic system assuring contact in the event of a school or district-wide emergency.

OBLIGATIONS

Students who owe money for books and other school property will not be permitted to participate in trips and extra-curricular activities such as sports.

FIELD TRIPS/EXTRA CURRICULAR ACTIVITIES

It is a privilege to attend field trips. Therefore, if a student has a record of continuous unexcused absences, tardiness, disruptive behavior, missing assignments and/or is in danger of failing, he/she may not be permitted to attend the field trips. This policy also applies to extra curricular activities, including sports.

EDUCATIONAL TRIPS & TOURS

Educational trips will be considered for approval if the principal determines that the trip will be educationally significant to the student. In order for the principal to make such a determination, the parent or guardian shall complete an Educational Trip Request form *at least ten school days* prior to the trip. Educational trip forms are available in the main office. The principal will review the request and <u>will not approve</u> the request for any of the following reasons:

- 1. The principal feels that the trip is not adequately educational to warrant and absence from school
- 2. Student's prior attendance record is not adequate to approve days out of school
- 3. The principal determines that the trip would be detrimental to the student's progress or success in school
- 4. The trip takes place during the final two weeks of a school quarter or during PSSA testing, unless an unusual circumstance exists
- 5. Requests should not exceed a total of five school days in one school year

It is the student's responsibility to get assignments from his/her teachers prior to departure. Teachers will need at least one week's notice prior to departure. It is also the student's responsibility to present a copy of the approved educational field trip form (signed by the principal) to his/her teacher before work will be given.

INTERNET USEAGE

816. HARRISBURG SCHOOL DISTRICT ACCEPTABLE USE AND INTERNET SAFETY POLICY

Overview

Technology resources are available via the Internet and the local/wide area network at the Harrisburg School District. We believe these resources offer vast, diverse, and unique opportunities to both students and staff. Our goal in providing this service to students and staff is to provide educational excellence in the district by facilitation resource sharing, innovation, and communication. Students and staff are responsible for appropriate behavior on computer networks. With access to these technology resources comes the availability of material that may not be considered of educational value in the context of the school setting. Despite the availability of filters and blocking software, students and staff may nevertheless gain access to electronic information that may not be reliable or appropriate. In such cases, general school rules for behavior and communications apply.

Students and staff are expected to use the Internet and HSD hardware as educational resources. The Harrisburg School District is not responsible for any information that may be lost, damaged, or unavailable when using the network or for any information that is retrieved via the Internet. The Harrisburg School District will not be responsible for any unauthorized charges or

fees resulting from access to the Internet. The following procedures and guidelines are used to help ensure appropriate use of technology resources, including the Internet, at the Harrisburg School District. All HSD resources must be used appropriately. This Acceptable Use and Internet Safety Policy (ISP) addresses the following requirements set by the Federal Communications Commission (FCC):

- 1. Access by minors to inappropriate matter on the Internet and World Wide Web.
- 2. The safety and security of minors when using electronic mail, chat rooms, and other forms of direct electronic communication.
- 3. Unauthorized access, including so-called "hacking" and other unlawful activities by minors online.
- 4. Unauthorized disclosure, use, and dissemination of personal information regarding minors.
- 5. Measures designed to restrict minors' access to materials harmful to minors.
- 6. Monitoring the online activities of minors.

The policy of Internet safety must include a technology protection measure that protects against Internet access by both adults and minors to visual depictions that are (1) obscene, or (2) child pornography, or, with respect to use of the computers by minors, (3) harmful to minors.

Staff and Student Expectations in Use of Technology Resources:

- Staff members and students shall not access inappropriate material on the Internet and World
 - Wide Web, including but not limited to pornography, obscenity, or child pornography.
- Staff members and students shall use technology resources primarily for educational purposes.
- Staff members and students shall not engage in unauthorized access of computers, including "hacking".
- Staff members and students shall not engage in unlawful activities.
- Staff members shall not disclose, use, or disseminate any personal identification information of students.
- Staff members will monitor student use of technology resources.
- Staff members shall not disclose their network passwords to students.

Note that electronic mail (e-mail) is not guaranteed to be private. People who operate the system do have access to all mail. Messages relating to or in support of illegal activities may be reported to the authorities. Any use of the network for commercial or for-profit purposes, product advertisement, political lobbying or illegal activity is prohibited.

Enforcement of Policy

Harrisburg School District uses a technology protection measure that blocks or filters access to some World Wide Web sites that are not in accordance with the policy of Harrisburg School District. This measure protects against access by adults and minors to visual depictions that are obscene, child pornography or — with respect to use of computers with Internet access by minors — harmful to minors. Filtering may be disabled for adults engaged in bona fide research or other lawful purposes. To ensure enforcement of the policy, Harrisburg School District will monitor use of technology resources through direct supervision, monitoring Internet use history, or various software and hardware tools.

Violation of this Policy

Violation of Harrisburg School District's Acceptable Use and Internet Safety Policy in any way may result in suspension or the loss of the privilege to access the Internet and World Wide Web or other technology resources provided by the school. Other disciplinary action may be taken in accordance with existing HSD policy. When necessary, the Harrisburg School District may call in law enforcement agencies.
